Offenbach a.M., 22. May 2019

Deliveries to REDUX Recycling in Offenbach resuming from September 2019

Dear business partners,

As promised in our communication of 16.05.19, we would like to update you on next steps in relation to the fire in our Offenbach production site. We expect business to resume at Offenbach in 3 months' time – although our experts are not currently able to assess precisely what remediation measures will be necessary. Our Bremerhaven site is not affected by the suspension of deliveries.

Alongside this, we are working intensively to provide alternative recycling solutions. We will update you personally on these in the near future. The entire REDUX team is making every effort to ensure we can resume battery reconditioning for you as soon as possible and we are working on the assumption that we will be up and running again from September 2019. If we are able to resume production earlier than this, we will inform you immediately.

We are sorry not to be able to give you better news at this time. If you have any questions, please get in touch with us on tel: +49 69 867 873 00 or by email: info@redux-gmbh.de MON to FRI from 7.30 am to 5 pm.

Yours sincerely

Ingo Rosenfeld
